Funding Information							
What is the source of funds for the requested increase? Federal							
Is the funding source a pass-through from another agency? No							
Will continued funding be required if Federal funds are no longer available? No							
Does the request require a general fund match in this bienium? No							
Will the request require general fund support in the next biennium? No							
Background Information							
Was any portion of the request presented during the previous legislative session? No							
Is the request for a new program? No							
Does the request require an FTE increase? No							
Does the request conform with legislative intent? Yes							
Provide explanation: OMB is the fiscal agent for the GEER (Governor's Emergency Education Relief Funds) that were approved for the 2019-21 budget. Some of the funds granted to school districts required an extension into the 2021-23 biennium; therefore we are requesting federal authority to fully expend these federal grant funds.							
Other Information							
Statutory provisions that relate to this request: None							
Provide an explanation as to how the request supports state priorities, improves state efficiencies, and promotes effective state government: This funding was initially provided to school districts on a competitive grant basis to assist with impacts by the coronavirus. 11 of the 20 grant recipients requested an extension into the current biennium to fully expend these grant funds.							
Provide any other relevant information:
